2 Part: Contract Specifications for Options Contracts

2.1 Subpart: Specifications for Options Contracts on Stocks of German Stock Corporations (German Stock Options)

(...)

2.1.5 Term, Close of Trading, Expiration Day

- (1) Options are available at the Eurex Exchanges with terms up to and including
- a) the next, the second and the third succeeding expiration days as well as up to and including the next three succeeding quarterly expiration days (March, June, September, December) thereafter and up to the next two succeeding half-year expiration days (June, December) or
 - b) the next, the second and the third succeeding expiration days as well as up to and including the next three succeeding quarterly expiration days (March, June, September, December) and up to the next four succeeding half-year expiration days (June, December) and up to the next two succeeding year expiration days (December).

The Boards of Management of the Eurex Exchanges determine the term for each stock option pursuant to sentence 1.

- (2) The last trading day of an option series shall be the last day on which such option series is available to Exchange Participants for trading and clearing through the EDP system of the Eurex Exchanges. The last trading day shall generally be the third Friday of the relevant month; provided, however, that if such Friday is not an Exchange day, the last trading day shall be the Exchange day prior to such Friday. If an exercise in an option series is not possible pursuant to the provisions of subsection 2.1.9 paragraph (1) due to the adoption of a dividend resolution on such day, the Exchange day prior to such day shall be the last trading day.

The expiration day of an option series shall generally be the Exchange day following the last trading day of the option series; provided, however, that if, due to the adoption of a dividend resolution, the last trading day has been changed in accordance with the above rules, the expiration day shall be the second Exchange day following the last trading day.

- (3) An option series may not be cancelled so long as any Exchange Participant continues to hold open positions in such option series.
-

2.1.9 Exercise

- (1) Options may be exercised by the purchaser on any Exchange day until the end of the Post-Trading Full Period, with the exception of a day on which a dividend resolution is passed (American style option) provided that the Boards of Management of the Eurex Exchanges have not determined otherwise. If a dividend resolution is passed on a day that is not an Exchange day, the options in question may not be exercised on the Exchange day preceding such day. The last day on which an option may be exercised shall generally be the last trading day (subsection 2.1.5 paragraph (2)).
- (2) The Eurex Exchanges shall inform the Exchange Participants on each of the last 10 Exchange days before the last trading day of an option series of options contracts then becoming due.
- (3) Each Exchange Participant shall be responsible for exercising its options contracts. The Eurex Exchanges shall not automatically exercise any options contracts.
- (4) In the event of an EDP failure, the Eurex Exchanges must receive a written exercise request from the Exchange Participant concerned (e.g., by letter or fax) no later than the end of the Post-Trading Full Period on or before the last trading day of an options contract. Any such request transmitted to one of the Eurex Exchanges shall be deemed submitted to all Eurex Exchanges. The exercise request shall be entered by the Eurex Exchanges to the extent possible using reasonable efforts.
- (5) The exercise of an option entered during the course of any day may be altered until the end of the Post-Trading Full Period on the date of entry.
