With Eurex Release 8.0 a parameter was introduced which allows to define a maximum number of quotes within a Mass Quote Request.

On **January 9, 2006**, Eurex will increase the Mass Quote parameter from 24 to 36 for double-sided quotes.

Please make sure that your quote machines and your in-house systems will be adjusted accordingly and that your quoting models make full use of the increased capacity.

Should you have any questions, please do not hesitate to contact our Customer Support Team at tel. +49-69-211-1 17 00.
