1.2.2 Obligation for Performance

- (1) After the close of trading in the respective Euro Fixed Income Futures Contract, the seller of a Euro Fixed Income Futures undertakes to notify debt securities with the nominal value of the respective contract from the respective basket of deliverable bonds and to deliver such debt securities on the delivery day (subsection 1.2.6 paragraph (1)). Debt securities denominated in Euro may be selected for delivery, having a non-redeemable remaining term pursuant to subsection 1.2.1 paragraph (1). The debt securities must have a minimum issue volume of EUR 5 billion. For the delivery months up and including September 2010, a minimum issuing volume of EUR 10 billion applies for Euro Buxl Futures contracts and Euro BTP Futures contracts.

Bonds denominated in Swiss Francs from the Swiss Confederation may be selected for delivery, having a remaining term pursuant to subsection 1.2.1 paragraph (2). In the case of bonds with an early redemption option, the first and last possible redemption dates as of the time of delivery of the contract must be between 8 and 13 years. ##### 2.3.4 Fulfilment, Delivery

- (1) A delivery obligation arising out of a short position in a Euro-fixed income futures contract may only be performed by the debt securities determined by Eurex Clearing AG. For delivery, debt securities denominated in EUR with a fixed coupon of the Federal Republic of Germany (for Euro-Schatz-, Euro-Bobl-, Euro-Bund- and Euro-Buxl Futures contracts) and of the Republic of Italy (for Euro-BTP-Futures contracts) can be chosen with a remaining uncalleable term of:

§ 1.75 up to 2.25 years for Euro-treasure Futures contracts

§ 4.5 up to 5.5 years for Euro-Bobls Futures contracts

§ 8.5 up to 10.5 years for Euro-federal Futures contracts

§ 24 up to 35 years for Euro-Buxl Futures contracts

§ 8.5 up to 11 years and an original term of no longer than 16 years for Euro-BTP Futures contracts.

The bonds have to possess a minimum issuance volume of EUR 5 billion. Euro Buxl- and Euro-BTP Futures contracts of the delivery months up to and including September 2010, in contrast, have to amount to a minimum issuance volume of EUR 10 billion.

A delivery obligation arising out of a short position in a CONF futures contract may only be performed by obligations determined by Eurex Clearing AG. Obligations of the Swiss Confederation denominated in Swiss Francs with a remaining term of at least eight years up to 13 years at most can be chosen. Concerning obligations with early redemption option, the first and last possible redemption date at the point of delivery of the contract must be between eight and 13 years. The obligations must possess a minimum issuance volume of CHF 500 millions.

- (2) Two business days prior to the tenth calendar day of a quarter month (notification day), the Clearing Members with open short positions must indicate the type of bonds they will deliver to Eurex Clearing AG after transaction closing until the end of the post-trading full-period. Existing delivery notifications can be changed until closing of the post-trading full period. If a delivery notice is not made in a timely manner, Eurex Clearing AG determines the bonds to be delivered by the Clearing Member. The actual amount of notified debt securities have to be confirmed by Clearing Members vis-à-vis Eurex Clearing AG one day prior to the delivery day.

- (3) After the end of the Post-Trading Period on the Notice Day, Eurex Clearing AG shall allocate to the Clearing Members with open long positions the bonds notified for delivery, using a selection procedure that ensures the neutrality of the allocation process. The Clearing Members will be informed on the next Business day as to which bonds were allocated to them and at what tender.
- (4) Paragraphs 1 to 3 shall apply to the legal relationship between General Clearing Members or Direct Clearing Members and their Non-Clearing Members; Paragraph 3 shall apply mutatis mutandis to the legal relationship between Clearing Members or Non-Clearing Members, as the case may be, and their respective customers.
