With effect from **November 1, 2005** Market Maker Obligations in Eurex equity options will be adjusted as follows:

The number of exceptions of products that do not require quotation within the scope of the "French AMM Package" (FR) will increase from currently seven products to 25 products.

Upon fulfillment of Advanced Market Maker (AMM) quote requirements for the French package, Market Makers will receive a refund of transaction fees for all 36 French equity options currently provided for the French AMM package.

For the updated Market Maker Obligations at Eurex please refer to the Eurex website:
