Eurex Clearing AG shall calculate the amount of margin from the total sum of the obligations of the Clearing Member. The total sum of the obligations shall result from the sum of the own- and customer account for CM Transactions and of the obligations of the Clearing Member booked in the own- and customer account for NCM Transactions.
- (2) The cash and securities positions underlying each transaction shall be handled separately. Each cash position shall be determined by discounting it with the current market interest rate (calculation of cash value on the valuation date). - (3) In addition to the margin pursuant Paragraph 2, another margin (Additional Margin) shall be determined by Eurex Clearing AG, such Additional Margin considering the closing expenses of delivery obligations of the Clearing Member in securities, rights, commodities or emission rights which cannot be compensated pursuant to Paragraph 2. However, margin must generally be provided prior to the commencement of trading on the markets listed in the following Chapters.

Credit shall not be taken into account respectively. In order to determine the total provision of margin of a Clearing Member, the margin calculated for CM Transactions pursuant to Clause 2 and for NCM Transactions pursuant to Clause 3 shall be added up. Credits shall not be taken into account.
- (6) Eurex Clearing AG shall determine the method to be used for calculating the required margin and shall communicate such method to the Clearing Members.

§ on the second Exchange day after the exercising day of the option with respect to option contracts or LEPOs on shares with assigned group ID DE11, DE12 (Annex B of the Eurex Contract Specifications),

§ on the fourth Exchange day after the exercising day of the option with respect to option contracts or LEPOs on shares with assigned group ID FR11 and GB11 (Annex B of the Eurex Contract Specifications),

Physical deliveries of securities shall be made through a bank for central depository of securities recognised by Eurex Clearing AG or respectively through a Custodian or Central Securities Depository, and payments shall be made through the account specified by such bank for central depository of securities or by such Custodian or Central Securities Depository.

Each Clearing Member and Eurex Clearing AG must ensure that the dispositions on single-business basis which are necessary for fulfilment of the transactions can be processed in the gross delivery management pursuant to Chapter I Number 1.6 or in an according securities transfer system being used for settlement of transactions on the Business day on which the delivery notice is given. All Clearing Members must ensure their ability to effect deliveries and payments thereof through sufficient deposits in the securities account with the respective bank for central depository of securities or the Custodian or Central Securities Depository and credit balances in the respective cash accounts.

3.6.2 Option Premiums

The balance of the option premiums ("Net Premium") to be paid by the Clearing Members pursuant to Number 2.1.1 of the Contract Specifications and to be reimbursed by Eurex Clearing AG shall be payable by the time specified by Eurex Clearing AG on the Exchange day following the conclusion of the transaction, but generally prior to the commencement of trading at Eurex Deutschland and Eurex Zürich on such Exchange day.

3.6.3 Reference Price

- (1) For the determination of the reference price, the cash markets determined in the following are respectively assigned to the shares options respectively the LEPOs:

Group ID of the Option contracts pursuant to Annex B of the Eurex Contract Specifications	Relevant Cash Market	ID of Cash Market
[...]		
<u>GB11</u>	<u>Electronic Trading System of the London Stock Exchange</u>	<u>XLON</u>

- (2) The reference price shall be the price of the respective underlying security effected on the closing auction in the respective electronic trading system (Number 3.6.3 Paragraph 1). If no price in the underlying security is effected on the closing auction, the volume-weighted average of the last three "paid" prices (Bezahlt-Preise) of the respective underlying security effected in the electronic trading system of the respective Stock Exchange shall be authoritative.
- (3) If three prices in the underlying security are also not effected in the electronic trading system of the respective reference market or if the price does not reflect the true market conditions, Eurex Clearing AG shall determine the reference price.

3.6.4 Margin Requirements

- (1) The basic provisions for margin requirements are set forth in Chapter I, Paragraph 3. In addition thereto, the following conditions shall apply:
- (2) Margin must generally be maintained to cover the costs of a potential closing of all positions at their daily settlement price ("Premium Margin").
- (3) The difference between the price of the respective underlying security and the exercise price shall be used for exercised and assigned positions in stock options or LEPOs.
- (4) If the price so determined does not reflect the risk assessment of Eurex Clearing AG, Eurex Clearing may deviate from the reference price determined pursuant to Number 3.6.3.
- (5) For purposes of calculating the margin requirements for all option series, net long positions shall be treated as credit balances.
- (6) In addition to the foregoing margin requirements ("Premium Margin"), a further margin requirement ("Additional Margin") shall be calculated in an amount sufficient to cover any change to the cost of closing all options positions assuming the least favourable price developments, as determined by Eurex Clearing AG, until the next calculation of margin.

3.6.5 Dividends and Distribution of Profits

- (1) If a stock option or LEPO is exercised before the day on which the profits are distributed, the new owner of the underlying security shall be entitled to the distribution.
- (2) If Options contracts or LEPOs on securities of German stock corporations are exercised before the day preceding the ex-day, the new owner of the underlying security shall be entitled to the distribution, including any corresponding tax credits.

3.6.6 Default

- (1) Defaults or technical defaults shall be subject to the provisions of Chapter I Number 7.1 or Number 7.2 respectively.
- (2) In the event that a Clearing Member which is obligated to deliver is in default and fails to deliver the underlying security on the delivery day and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall take the following measures in application of the provisions pursuant to Chapter V Number 2.2. For default with delivery of shares from transactions with options contracts of group ID GB11, Number 3.6.8 shall apply.
- (3) Measures set forth in Paragraph 2 are binding on the Clearing Member which did not receive delivery in a timely manner.
- (4) Any costs arising from the measures taken in accordance with Paragraph 2 must be paid by the defaulting Clearing Member.
- (5) The right of Eurex Clearing AG and the Clearing Member which did not receive delivery in a timely manner to claim further damages shall remain unaffected.

3.6.7 Default with Delivery of Options Contracts of Group ID GB11

- (1) In case of default of the Clearing Member regarding transfer of British or Irish shares or subscription rights (hereinafter referred to as "shares" in Number 3.6.7 and 3.6.9), Eurex Clearing AG is entitled to repurchase shares of the same kind and number by means of an auction upon expiration of the fifth business day. If Eurex Clearing AG has opened an auction according to Clause 1 by notification of the defaulting Clearing Member, the defaulting Clearing Member is not authorized to transfer the owed shares to Eurex Clearing AG on the day of auction as well as until a written notification of Eurex Clearing AG. Eurex Clearing AG is obligated to publish a maximum price for the auction up to which it is willing to accept bids. The maximum price for the auction results from the settlement price determined by Eurex Clearing AG for the share plus a surcharge of 100 %. The obligation of the seller to assign the shares shall be accepted by Eurex Clearing AG instead of fulfilment for the obligation of the defaulting Clearing Member. Upon expiration of the tenth business day and the 20th business day, Clause 1 and 2 shall apply accordingly, unless a surcharge has been given and the defaulting Clearing Member has assigned the owed shares until opening of a new auction. In case of a corporate action concerning the shares ("corporate action"), Eurex Clearing AG reserves the right to postpone the auction by one business day or – due to a justified reason – to determine another business day for implementation of the auction.

- (2) Upon beginning of the 21st business day after the business day agreed upon for assignment, the obligation of the defaulting Clearing Member to assign the owed shares shall expire. Instead of this obligation, a claim of Eurex Clearing AG vis-à-vis the defaulting Clearing Member for payment of a compensation amount (cash settlement) comes into existence. The amount of the compensation payment shall be calculated from the higher price of (i) the settlement price determined by Eurex Clearing AG for the share plus a surcharge of 100 %, (ii) the highest purchase price to be paid by Eurex Clearing AG to the defaulting Clearing Member for owed shares or (iii) the highest purchase price to be paid by the non-defaulting Clearing Member to Eurex Clearing AG from the transaction being assigned to the transaction under (ii), respectively multiplied with the according lot size of the owed shares. Eurex Clearing AG shall settle the compensation amount to be paid with the purchase price to be paid for the non-assigned shares.
- (3) If a Clearing Member which owes the assignment of shares to Eurex Clearing AG, does not fulfil the necessary instruction to Euroclear UK & Ireland Ltd, the Clearing Member defaults with the payment of the owed equivalent. Upon start of the 21st business day after the business day agreed upon for assignment, the obligation of Eurex Clearing AG for assignment of the owed shares shall expire. Instead of this obligation, an obligation of Eurex Clearing AG to pay a compensation amount to the defaulting Clearing Member comes into existence. Paragraph 2 Clause 3 and 4 shall apply accordingly with the proviso that the selling price made on the London Stock Exchange or Irish Stock Exchange made during a sale of the shares by Eurex Clearing AG supersedes the settlement price within the meaning of Paragraph 1 Clause 2 (i).
- (4) If the Clearing Member obligated to assign subscription rights or other rights (hereinafter referred to as "rights" in Number 3.6.8) does not assign them prior to expiration of the subscription period, the obligation to assign the rights shall expire. Instead of such obligation, a claim of Eurex Clearing AG for payment of a compensation amount against the defaulting Clearing Member comes into existence. Paragraph 2 Clause 3 and 4 shall apply accordingly.
- (5) The claim for assignment of shares or rights of a non-defaulting Clearing Member against Eurex Clearing AG from a transaction which has been assigned to a transaction of a defaulting Clearing Member shall expire upon existence of the obligation of the defaulting Clearing Member to pay the compensation amount. Instead of this claim, a claim of the non-defaulting Clearing Member against Eurex Clearing AG for payment of the compensation amount comes into existence.
- (6) The defaulting Clearing Member is obligated to pay an allowance to Eurex Clearing AG for each auction executed according to Paragraph 1 in the amount of 10 % of the purchase price of the shares owed at the time of auction, at least of GBP 225.00 or EUR 250.00, at maximum of GBP 4,500 or EUR 5,000.00. If a Clearing Member assigns shares to Eurex Clearing AG after exclusion of the performance obligation, the Clearing Member is obligated to pay an allowance for implementation of the reassignment in the amount of GBP 400.00 or 500.00 to Eurex Clearing AG. Clause 2 applies accordingly for the non-defaulting Clearing Member according to Paragraph 2 if – upon existence of the claim for payment of a compensation amount - the Clearing Member has arranged for assignment of shares by Eurex Clearing AG by not deleting the instruction for assignment of shares given to Euroclear UK & Ireland Ltd.

3.6.78 Corporate Actions

In case of corporate actions which form the basis of underlyings whose delivery has not yet been effected, the regulations pursuant to Chapter V Number 2.3 apply mutatis mutandis.

3.6.9 Corporate Actions with Options Contracts with Group ID GB11

- (1) If transactions not yet fulfilled refer to shares with regard to which a corporate actions is made, Eurex Clearing AG shall – within the scope of clearing of such transactions in relation to its Clearing AG – generally settle such actions according to the rules which apply or are applied therefore with Euroclear UK & Ireland Ltd as relevant home market.
- (2) For lack of rules within the meaning of Number (1), shares shall be assigned with the rights and obligations which have existed at the time of conclusion of the transaction.
- (3) If a corporate action results in a change of the type of custody to individual safekeeping, the following provisions shall apply between Eurex Clearing AG and the Clearing Members as contractual parties of the options contract:
 - a. Eurex Clearing AG discloses its claim for assignment of the shares to be delivered by the Clearing Member obligated to deliver to the Clearing Member which, in turn, has not been delivered by Eurex Clearing AG, for purposes of conclusion of assumption (*befreiende Schuldübernahme* according to § 414 German Civil Law) with the Clearing Member to be delivered in favour of Eurex Clearing AG according to item b to the extent the number of shares to be delivered by the defaulting Clearing Member to Eurex Clearing AG corresponds to the shares to be assigned by Eurex Clearing AG to the Clearing Member not having been delivered in time.
 - b. An effective assumption in favour of Eurex Clearing AG according to item a does only exist if the two respective Clearing Members have agreed upon a certain number of shares which shall be delivered by the defaulting Clearing Member instead of Eurex Clearing AG to the Clearing Member to be delivered and if the standardized agreement provided by Eurex Clearing AG for such purpose has been legally signed by both Clearing Members and has been submitted to Eurex Clearing AG in case of a change of the type of custody to individual safekeeping (in the following “Standard Agreement”).
 - c. As soon as the signed Standard Agreement is submitted to Eurex Clearing AG, the obligation of Eurex Clearing AG vis-à-vis the Clearing Member is has to deliver the owed shares and all secondary obligations being at present or in future in connection with this obligation expire with immediate debt-discharging effect in the amount of the number of shares to be assigned agreed upon by both Clearing Members.
 - d. For conclusion of such Standard Agreement, Eurex Clearing AG herewith authorizes the Clearing Member to be delivered vis-à-vis the defaulting Clearing Member in its name to waive the claim of Eurex Clearing AG for delivery of the shares in the amount of the number of shares to be delivered agreed upon by both Clearing Members as well as all secondary rights affiliated with this claim at present or in future with debt-discharging effect. Chapter V, Number 2.2 Paragraph 7 does not apply.
 - e. Eurex Clearing AG sets a deadline for both Clearing Members of at maximum ten business days within which the Standard Agreement may be legally signed by them. In this case, both Clearing

Members shall inform Eurex Clearing AG about the conclusion of an assumption until 10 a.m. CET of the business day following the last day of the deadline set by Eurex Clearing AG at the latest (foreclosure) by presenting the legally signed Standard Agreement to Eurex Clearing AG.

- f. In case a legally signed Standard Agreement of the respective Clearing Members has not been presented to Eurex Clearing AG within the foreclosure according to item e Clause 2, Eurex Clearing AG shall determine a cash settlement with regard to the shares not having been delivered in time by the defaulting Clearing Member with the legal consequence that the fulfilment obligation of the defaulting Clearing Member vis-à-vis Eurex Clearing AG from this non-fulfilled Eurex transaction expires with debt-discharging effect. Instead, the defaulting Clearing Member is obligated to pay the cash settlement determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies in this case with regard to shares of the same kind owed by Eurex Clearing AG to one or several other Clearing Members to the extent corresponding to the lot size of the shares owed and not having been delivered in time by the defaulting Clearing Member to Eurex Clearing AG from the Eurex transaction. Chapter V Number 2.2 Paragraph 7 does not apply.

- g. The amount of the cash settlement to be paid by the defaulting Clearing Member to Eurex Clearing AG according to item f shall be determined by comparison between the settlement price of the cash settlement determined by Eurex Clearing AG for the respective shares plus a surcharge in the amount of 100 % and the highest selling price and the highest purchase price in the relevant Eurex transactions respectively deliveries.

The price determined in this way shall be multiplied with the respective number of the shares not having been delivered in time to Eurex Clearing AG and results in the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

- (4) In case of dividend payments with election right ("scrip dividends"), the Clearing Member is obligated to choose dividend payments. Eurex Clearing AG is not liable for damages having occurred to the respective Clearing Member or a third party in case of an exercise of the election right by Eurex Clearing AG.
- (5) Eurex Clearing AG shall implement corporate actions for its Clearing Members if the respective assignment obligation resulting from the corporate action cannot be fulfilled in the system of Euroclear UK & Ireland. In this case, Eurex Clearing AG shall inform the respective Clearing Members about the fact that the implementation and settlement of the respective corporate action is made by Eurex Clearing AG according to the instructions of Eurex Clearing AG. The respective Clearing Members are obligated to comply with the instructions of Eurex Clearing AG which the latter gives in the course of the implementation and settlement of the corporate action.
- (6) If a corporate action is implemented by Euroclear UK & Ireland or by Eurex Clearing AG – such corporate action not being regulated by aforementioned provisions – Clearing Members are obligated to assign the concerned shares to Eurex Clearing AG according to the latter's instructions. Eurex Clearing AG shall assign these shares accordingly to the Clearing Members. Clause 1 and 2 apply accordingly with regard to cash payments which have to be made by Clearing Members due to corporate actions not being regulated in aforementioned provisions.
- (7) If a Clearing Member does not fulfil an obligation incumbent upon it in the course of a corporate action, and if, as a consequence, the corporate action is not executed, Eurex Clearing AG is entitled to

transfer its claims vis-à-vis the Clearing Members to the Clearing Members concerned by the non-execution with debt-discharging effect.

Chapter V Transactions Concluded at the Frankfurter Wertpapierbörse ¹

[...]

2.2 Default

- (1) If the Clearing Member obligated to deliver is in default and does not deliver the shares² owed as a result of a FWB transaction pursuant to Chapter V Number 1 owed on the delivery day in line with the instructions of Eurex Clearing AG, the latter AG shall have the right, unless there is an identical claim of the Clearing Member vis-à-vis Eurex Clearing AG which can be charged up against the liability of such Clearing Member, to adopt the following measures:
- a) If the securities to be delivered by the Clearing-Member obligated to deliver are not delivered to Eurex Clearing AG on the fifth business day at the latest after the delivery date, as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities as recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution recognised by Eurex Clearing AG or by the Custodian or Central Securities Depository (the "unperformed transaction"), Eurex Clearing AG shall replace the undelivered securities.
 - b) The replacement purchase may occur pursuant to Paragraph 3 or by means of an auction pursuant to Item c. If the requisite securities cannot be bought in such auction, or only in part, the Clearing Member in default shall receive a further 5 business days in which to deliver. If the securities to be delivered are not delivered to Eurex Clearing AG on the tenth business day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution, or by the Custodian or Central Securities Depository recognised by Eurex Clearing AG, Eurex Clearing AG shall again attempt to replace the undelivered securities. This replacement purchase shall occur according to Paragraph 3 or via an auction pursuant to Item c.

¹ With regard to the clearing of transactions concluded at the Rhenish-Westfalian Exchange in Düsseldorf (Rheinisch-Westfälische Börse zu Düsseldorf) which share the securities and rights named in Chapter , Chapter V and all remaining provisions of the Clearing Conditions for Eurex Clearing AG shall apply.

² For subscription rights securitized and held in collective safe custody, the procedure pursuant Paragraph 2 applies.

If the securities to be delivered are not delivered to Eurex Clearing AG on the 27th business day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution or by the Custodian or Central Securities Depository recognised by Eurex Clearing AG, Eurex Clearing AG shall again attempt to replace the undelivered securities according to Paragraph 3 or via an auction pursuant to Item c. If the requisite securities cannot be purchased in full, or are purchasable only in part at such further auction, the defaulting Clearing Member shall be granted time up to the 30th business day after the delivery date to deliver the securities to Eurex Clearing AG.

- c) The following shall apply to the replacement purchase by way of auction:

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company ("Vendor") which has concluded a prior contract with Eurex Clearing AG may take part in the auctions.

- d) As regards securities owed as a result from an unperformed FWB transaction, Eurex Clearing AG can determine a cash settlement from the 30th to the 36th business day after the delivery date, so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB transaction with discharging effect expire. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 business days after the delivery day shall apply respectively to the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant FWB transactions.

The highest price determined in this way shall be multiplied with the respective number of the owed securities resulting from the unperformed FWB transaction and not having been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant FWB transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to the or the other Clearing Members who have made transactions with Eurex Clearing AG according to Clause 3.

- e) If the execution of a cash settlement should not be possible wholly or partially Eurex Clearing AG shall replace on the 37th business day after the delivery day the securities which have not been delivered. The replacement may be implemented according to a) or by means of an auction according to c).
- f) If the requisite securities cannot be bought in such auction, or only in part, Eurex Clearing AG shall fix a cash settlement from the 40th to the 46th business day after the delivery day with regard to the unperformed FWB transaction so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB transaction expire with discharging effect. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 business days after the delivery day shall apply respectively in the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100%, the highest selling price of the relevant transactions as well as the highest purchase price of the relevant FWB transactions.

The highest price determined in this way shall be multiplied with the respective number of the relevant securities owed from the defaulting FWB transaction which have not been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Members who have made transactions with Eurex Clearing AG according to Clause 3.

- g) As far as delivery of the securities continues to be wholly or partially outstanding the buy-in attempt according to Paragraph 1 Item e shall be repeated by Eurex Clearing AG at a frequency of 10 days; during the first 6 business days of a buy-in attempt Eurex Clearing AG shall repeat the cash settlement according to Paragraph 1 Item f as often as is necessary until the unperformed FWB transaction has wholly been performed or until such transaction could have been paid out through a cash settlement.
- h) It is required that prior to the implementation of a cash settlement according to Item d, f, and g three buy-in attempts via an auction according to c) in each case and in the respective class of securities have been performed by Eurex Clearing AG. In the event that the liability of the Clearing Member obligated to deliver could be settled against an identical claim of such Clearing Member vis-à-vis Eurex Clearing AG pursuant to Paragraph 1 Clause 1 and if, as a result, Eurex Clearing AG refrained from replacing pursuant to Paragraph 3 or via an auction pursuant to Item c, this fact is regarded as one of three replacement attempts pursuant to Clause 1.

- i) In the case of a capital action event concerning the securities, Eurex Clearing AG reserves the right to defer the auction by one or more business days or, upon good cause shown, to determine another business day for execution of the auction.
 - j) In the event that only a limited period of time exists for securities being included in the clearing pursuant to Chapter V Number 1 Paragraph 1 or resulting from securities included in the clearing in the course of an implemented corporate action, in which the claims connected with or resulting from those securities can be asserted and if such securities have not been delivered to Eurex Clearing AG before end of this period of time, Eurex Clearing AG discloses to the Clearing Member it has not delivered in time its claim to delivery of such securities in respective execution of the provisions pursuant to Paragraph 2.
- (2) If the Clearing Member obligated to deliver is in default and if it does not deliver the rights owed from a FWB transaction pursuant to Chapter V Number 1 (e.g. subscription rights) or the rights resulting from securities to be delivered in due time on the delivery day pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG will take the following measures after the second same-day settlement procedure (2nd SDS) of the Securities Depository Bank recognised by Eurex Clearing AG or of the correspondent settlement course of a settlement institution recognised by Eurex Clearing AG, Custodian or Central Securities Depository of the last day of the conversion period in case of partial rights and after the 2nd SDS or the correspondent settlement course of a recognised settlement institution, Custodian or Central Securities Depository of the last day of the subscription period in case of subscription rights:
- a) Eurex Clearing AG discloses its claim for transfer of the Rights which have not been delivered in due time by the defaulting Clearing Member to the Clearing Member who has not been delivered in due time by Eurex Clearing AG due to such default in order to conclude an assumption (assumption pursuant to Section 414 Bürgerliches Gesetzbuch) with the defaulting Clearing Member pursuant to Item b to the extent as the Number of Rights to be delivered by the defaulting Clearing Member to Eurex Clearing AG is correspondent to the Ancillary Rights to be transferred by Eurex Clearing AG to the Clearing Member which has not been delivered in due time.
 - b) An effective assumption in favour of Eurex Clearing AG pursuant to lit a is only existent if both relevant Clearing Members agree about a certain number of Rights which shall be delivered by the defaulting Clearing Member to the Clearing Member to be delivered instead of Eurex Clearing AG and if they have signed legally binding a respective standardized agreement (hereinafter named "Standard Agreement") made available by Eurex Clearing AG and have submitted such Standard Agreement to Eurex Clearing AG ("Assumption").

As soon as Eurex Clearing AG has received the signed Standard Agreement, the obligation of Eurex Clearing AG vis-à-vis the Clearing Member to be delivered to deliver the owed Rights and all future secondary rights or rights currently connected with such obligation in the amount of the number of Rights to be transferred agreed upon by both Clearing Members cease to exist.

For the execution of such Standard Agreement, Eurex Clearing AG hereby authorises the Clearing Member to be delivered to be executed vis-à-vis the defaulting Clearing Member to waive a delivery of the Rights in the amount of the number of Rights to be delivered agreed upon by both Clearing Members as well as to waive all Secondary Claims at this point in time in connection with this claim with discharging effect. Number 2.2 Paragraph ~~8-7~~ does not apply.

- c) Eurex Clearing AG sets a time limit of 10 business days at maximum to both Clearing Members within which the Standard Agreement can be signed legally binding by such Clearing Members. In this case, both Clearing Members shall inform Eurex Clearing AG on the business day following the last day of the time limit set by Eurex Clearing AG at 10 a.m. CET at the latest (foreclosure) by submitting the Standard Agreement signed legally binding at Eurex Clearing AG.
- d) Provided that no legally binding signature of the Standard Agreement between the respective Clearing Members has been effected within the foreclosure pursuant to Item c Clause 2, Eurex Clearing AG determines a cash settlement regarding the Rights to be delivered by the defaulting Clearing Member pursuant to Item e with the legal result that the fulfilment obligation of the defaulting Clearing Member vis-à-vis Eurex Clearing AG out of this unperformed FWB transaction ceases to exist. Instead, the defaulting Clearing Member is obligated to pay the cash compensation determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies in this case for rights of the same nature owed by Eurex Clearing AG vis-à-vis one or more other Clearing Members to the amount corresponding to the Number of the rights owed by the defaulting Clearing Members to Eurex Clearing AG from the unperformed FWB transaction, such rights not having been delivered in due time. Chapter V Number 2.2 Paragraph ~~8-7~~ does not apply.

- e) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG pursuant to lit d shall be determined by comparison between the calculational value of the right at the point in time of the cash settlement plus an additional charge in the amount of 100 % and the highest price of sale and the highest purchase price in the relevant FWB transactions respectively deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation. The resulting sum shall be netted against the respective final amounts of the concerned FWB transactions and results in the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

Upon receipt, Eurex Clearing AG will then distribute this amount to one or the other Clearing Members who have entered into FWB transactions pursuant to Item d Clause 3 with Eurex Clearing AG.

- (3) Eurex Clearing AG may at its own dutiful discretion or pursuant to Paragraph 1 and 2 carry out a cash settlement or a disclosure for securities and rights which have not been delivered and for the securities and rights resulting therefrom on the first business day at the earliest, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obligated to deliver for its transactions do not suffice for the collateralisation of such transactions or if, due to other severe reasons, it deems necessary an implementation of the mentioned measures.
- (4) Measures set forth in Paragraph 1 through 3 shall be binding on and accepted by the Clearing Member which did not receive delivery in a timely manner.

Where Eurex Clearing AG has commenced a replacement purchase pursuant to Paragraph 1 by means of an auction, the Clearing member obligated to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original FWB transaction shall expire with discharging effect.

- (5) Eurex Clearing AG may deviate from the deadlines defined in Paragraph 1 and 2 if adherence to those deadlines could not or only with disproportional expenses or costs be achieved or if other deadlines or obligations arising from the securities or rights require such deviation.
- (6) The defaulting Clearing Member shall bear the costs arising from measures within the meaning of Paragraph 1, 2 and 3. Eurex Clearing AG shall for each auction in one security category held pursuant to Paragraph 1 levy upon each defaulting Clearing Member a fee of 10 % of the value of the securities owed pursuant to Paragraph 1 Clause 1, but in any case not less than EUR 250.00 or USD 350.00 or CHF 375.00 respectively AUD 500.00 respectively CAD 400.00 respectively GBP 225.00 respectively JPY 30,000.00 respectively SEK 2,750.00 and at maximum EUR 5,000.00 respectively USD 7,000.00 respectively CHF 7,500.00 respectively AUD 10,000.00 respectively CAD 8,000.00 respectively GBP 4,500.00 respectively JPY 600,000.00 respectively SEK 55,000.00. For the conversion of the fees into the settlement currency, Number 12 Paragraph 4 of the Price List shall apply accordingly. The assertion of damages according to Chapter I Number 7.1 Paragraph 4 Clause 1 is not excluded by the provisions of this Paragraph.
- (7) If a Clearing Member has not agreed upon Gross Delivery Management Service with Eurex Clearing AG, and if such Clearing Member comes in default with the delivery of securities, Eurex Clearing AG shall levy an additional default fee besides the obligations named in this provision. Such fee shall amount to 0.01 % of the original countervalue of the securities to be delivered for each day of default (default day). A default day is each business day following the due date of delivery, unless the securities are delivered at the latest on such business day within the second same-day settlement booking run of Clearstream Banking Frankfurt AG.

This regulation shall exclusively apply to claims from transactions which have been concluded via the electronic trading system at FWB or off-exchange via this electronic trading system.

- (8) Furthermore, Chapter I Number 7.1 respectively 7.2 shall apply for default or technical default.

Chapter VI Transactions Concluded at the Irish Stock Exchange

[...]

2.1.5 Delay

(1) If the Clearing Member obligated to deliver is in default in assignment of the owed securities or part thereof Eurex Clearing AG shall have the rights pursuant to Paragraph 1 to 7:

- a) Eurex Clearing AG shall be authorized for Irish securities, for account of the Clearing Member, to carry out a replacement purchase with securities of the same class on the 15th, 18th, 20th and 38th business day after the default and in further periods of respectively ten business days.

Eurex Clearing AG is authorized to make a replacement purchase for British securities with securities of the same nature at the expense of the Clearing Member on the 15th, 18th and 20th business day.

The replacement purchase shall be carried out by means of an auction whose place and implementation may be determined by Eurex Clearing AG under consideration of the interests of the Clearing Member.

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company ("Vendor") who has concluded a contract with Eurex Clearing AG beforehand may take part in the auctions.

- b) If a replacement purchase with the owed securities during an auction is only partly possible or not possible at all, Eurex Clearing AG shall
- for shares with a GB ISIN on the 21st business day upon occurrence of default
 - for shares with an IE ISIN between the 30th and 37th, the 40th and 47th and the 50th and 57th business day upon occurrence of the default as well as within other time

be authorized to determine that the obligation pursuant to Paragraph 1 Clause 1 is replaced by an obligation to pay a claim for compensation to Eurex Clearing AG through novation (cash settlement).

The same applies accordingly with regard to securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members – such securities not having been delivered in time – to the extent corresponding the lot size of the securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG and not having been delivered in time. If Eurex Clearing AG is in default with more than one delivery obligation, Eurex Clearing AG shall choose the delivery obligation longest due at first. If there is more than one delivery obligation longest due, Eurex Clearing AG shall implement the securities transfer upon its own dutiful discretion.

The level of the cash settlement shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant ISE transactions. The highest price determined in this way shall be multiplied with the respective number of the owed securities. The resultant sum shall be settled against the respective final amounts of the relevant ISE transactions. The determination of a cash settlement shall be carried out by declaration vis-à-vis the Clearing Member.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Member(s) who have made ISE transactions with Eurex Clearing AG according to Clause 3.

- ed) An implementation of a cash settlement pursuant to Item ~~d-b~~ requires that three repurchase attempts through one auction respectively have been made pursuant to Item ~~e-a~~ in the respective type of securities by Eurex Clearing AG.

~~If the auction does not result in a replacement of Eurex Clearing AG, the latter shall be authorized, between the 30th and the 37th, the 40th and the 47th and the 50th and the 57th business day after the default and in further respective periods, to determine that the obligation pursuant to Paragraph 1 Clause 1 shall – as novation – be replaced by an obligation to payment of a replacement claim to Eurex Clearing AG (cash settlement).~~

~~Item b Clause 1 shall apply accordingly if Eurex Clearing AG abstains from a replacement purchase for due reason, in particular in case of a claim of the Clearing Member on assignment of securities of the same class.~~

- d) All Clearing Members concerned by a cash settlement shall be obligated to delete the instructions corresponding to the respective assignment and receipt obligations in the electronic system of CREST. Chapter VI Number 2.1.5 Paragraph 8 does not apply.
- e) Eurex Clearing AG shall at any time be authorized to postpone an auction by one or more business days, in particular in case of a corporate action concerning the owed securities.
- (2) If the Clearing Member obligated to deliver is in default and does not deliver in due time the rights (e.g. subscription rights) owed as a result of an ISE-transaction (e.g. subscription rights) pursuant to Chapter VI Number 1 owed on the delivery day in line with the instructions of Eurex Clearing AG (the “unperformed ISE transaction”), Eurex Clearing AG will carry out the following measures on the last day of the subscription period of the respective right in the system of CREST:

- a) Determination of a cash settlement (Cash Settlement) regarding the rights which have not been delivered in due time by the defaulting Clearing Members with the legal result that the fulfilment obligation of the defaulting Clearing Member and Eurex Clearing AG from this transaction expires with discharging effect. Instead, the defaulting Clearing Member is obligated to pay a cash settlement determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies with regard to similar rights owed by Eurex Clearing AG vis-à-vis the defaulting Clearing Member or vis-à-vis one or more other Clearing Members to the extent corresponding to the number of securities owed from the unperformed ISE transaction which have not been delivered to Eurex Clearing AG by the defaulting Clearing Member. In this case, both the defaulting Clearing Member and the Clearing Member(s) named in Clause 3 are obligated to cancel the instructions underlying the respective delivery and subscription obligations in the system of CREST. Chapter VI Number 2.1.5 Paragraph 8 does not apply.

- b) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG shall be determined by comparison between the calculational value of the right to be delivered at the point in time of the cash settlement plus an additional charge in the amount of 100 % and the highest sale price and purchase price in the relevant ISE transactions or deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation.

Upon receipt, Eurex Clearing AG will distribute this amount to one or the Clearing Member(s) who have entered into ISE transactions with Eurex Clearing AG pursuant to Item a Clause 3.

- (3) Eurex Clearing AG may at the earliest on the first business day after the delivery day at its own dutiful discretion or pursuant to Paragraph 1 carry out a cash settlement for securities which have not been delivered in due time and, at its own dutiful discretion or pursuant to Paragraph 2, for rights which have not been delivered in due time, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obligated to deliver for its transactions do not suffice for the collateralisation of such transactions or if, due to other severe reasons, it regards necessary a replacement with the securities which have not been delivered respectively with the rights not having been delivered and being connected with or resulting from these or other securities.
- (4) Measures set forth in Paragraph 1, 2 and 3 shall be binding on and accepted by the Clearing Member which did not receive delivery in a timely manner.

Where Eurex Clearing AG has commenced a replacement purchase of the owed securities pursuant to Paragraph 1 or 3 by means of an auction, the Clearing member obligated to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original ISE-transaction shall expire with discharging effect.

To the extent Eurex Clearing AG has made a cash settlement of Rights which have not been delivered in due time by the defaulting Clearing Member pursuant to Paragraph 2 or (3), the Clearing Member obligated to deliver is not entitled to deliver the owed Rights to Eurex Clearing AG as of the day on which the cash settlement was carried out. In such case, the defaulting Clearing Member is also obligated to delete the delivery instructions underlying the unperformed ISE transaction in the electronic system of CREST.

- (5) Eurex Clearing AG may deviate from the deadlines defined in Paragraph 1 and 2 if adherence to those deadlines would lead to the measures described in Paragraph 1 or 2 not replacing the securities or rights in question, or replacing them only with a disproportionate expense of time or money, or if other deadlines or obligations resulting from the securities or rights would justify such deviation.
- (6) The defaulting Clearing Member shall bear the costs arising from measures within the meaning of Paragraph 1, 2 and 3. Eurex Clearing AG shall levy upon each defaulting Clearing Member a fee of EUR 250.00 for each auction held pursuant to Paragraph 1 in one security class.
- (7) Furthermore, Chapter I Number 7.1 respectively 7.2 shall apply for delay or technical delay.
