for the period from January 1, 2006 until December 31, 2006 in accordance with the terms and conditions stated in the Quote Obligations (Attachment 1).

2. As a Designated Market Maker
  - a) we will provide bid and ask quotes on both sides of the market
    - of the minimum number of contracts specified in the quote obligations
    - in compliance with the Maximum Spreads (see Quote Obligations); and
    - for the period of time specified in the Quote Obligations (also, and in particular, on a daily basis at the beginning of trading and at the end of trading in the contract and in response to quote requests)
  - b) we will give you the name of a manager who has the authorization and expertise necessary to make decisions and act as the coordinator in our firm, who will be available for Eurex with respect to this agreement;
  - c) we will ensure that a Eurex trading screen and a qualified trader are available for Designated Market-Making; and
  - d) we will inform Eurex within one business day in the event that we find ourselves no longer in a position to fulfill these obligations.

3. Eurex will in return
  - a) mention the name of the Eurex member with the Designated Market Maker status in advertising and informative material in connection with the contracts;
  - b) make Eurex speakers and printed material available for seminars organized by the Designated Market Makers regarding the Sector Index Futures; and
  - c) refund all trading and clearing fees for the contracts traded by the Designated Market Makers on M accounts up to December 31, 2006. The refund for the respective month will be calculated at the beginning of the subsequent month. No refunds will be made if Sector Index Futures are traded on A or P accounts or if the Quote Obligations are not fulfilled.
  - d) distribute EUR 0.15 per contract on a monthly pro-rata basis of the total volume generated by OTC Block Trades in sector index futures
4. Compliance with the obligations stated under No. 2 shall be monitored by Eurex.

In the event that the obligations stated under No. 2 are not met by us, Eurex shall have the right to terminate the agreement and to publicly disclose the termination of the Designated Market Maker status at Eurex' discretion. In this case, Eurex shall be released from its obligations pursuant to No. 3 with immediate effect.
5. In the event of a significant change in the Contract Specifications for the contract or due to a revision of the law or rules with respect to the contract, we as well as Eurex have the right to terminate this agreement with immediate effect or to renegotiate the requirements indicated in paragraph 2 and/or in the associated Quote Obligations.
6. Eurex shall have the right to amend or expand one or more of the conditions laid down in this agreement for limited periods of time at its sole discretion with validity for all Designated Market Makers, if it deems this appropriate (for example, in circumstances which lead to high market volatility or if such amendments or expansion is not expected to have an adverse effect on market quality). In the event that Eurex amends or expands one or more conditions, the Designated Market Makers must, for their part, ensure that the Designated Market Makers can also be promptly advised that this situation has ceased to exist.
7. Since the number of Designated Market Makers for the Sector Index Futures is limited, we grant Eurex the right to make the final selection of Designated Market Makers from the applicants.
8. Other than the aforementioned measures, no special status at Eurex shall be accorded to the participant in conjunction with the Designated Market Maker status, which expires on December 31, 2006. After that time, the title "Designated Market Maker" can no longer be used unless otherwise agreed with Eurex.
9. The associated Quote Obligations (Attachment 1) are an integral part of this application.
