**Extension of Decimals for Price Data Feeds of Selected Underlyings
and Single Stock Futures**

Following requests by market participants, the Management Boards of the Eurex Exchanges approved the adjustment of decimals for selected underlying price data feeds and Single Stocks Futures. Effective date will be October 16, 2008.

The adjustment will affect underlying price decimals from price data feeds, minimum price change and number of decimals in final settlement.

The minimum price changes will be adjusted accordingly in the Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich.
