2.2 Default

- (1) If the Clearing Member obligated to deliver is in default and does not deliver the shares² owed as a result of a FWB transaction pursuant to Chapter V Number 1 owed on the delivery day in line with the instructions of Eurex Clearing AG, the latter AG shall have the right, unless there is an identical claim of the Clearing Member vis-à-vis Eurex Clearing AG which can be charged up against the liability of such Clearing Member, to adopt the following measures:
- a) If the securities to be delivered by the Clearing-Member obligated to deliver are not delivered to Eurex Clearing AG on the fifth business day at the latest after the delivery date, as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities as recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution recognised by Eurex Clearing AG or by the Custodian or Central Securities Depository (the "unperformed transaction"), Eurex Clearing AG shall replace the undelivered securities.
 - b) The replacement purchase may occur pursuant to Paragraph 3 or by means of an auction pursuant to Item c. If the requisite securities cannot be bought in such auction, or only in part, the Clearing Member in default shall receive a further 5 business days in which to deliver. If the securities to be delivered are not delivered to Eurex Clearing AG on the tenth business day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution, or by the Custodian or Central Securities Depository recognised by Eurex Clearing AG, Eurex Clearing AG shall again attempt to replace the undelivered securities. This replacement purchase shall occur according to Paragraph 3 or via an auction pursuant to Item c.

² For subscription rights securitized and held in collective safe custody, the procedure pursuant Paragraph 2 applies.

If the securities to be delivered are not delivered to Eurex Clearing AG on the 27th business day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a bank for central depository of securities recognised by Eurex Clearing AG or by the corresponding procedure of a settlement institution or by the Custodian or Central Securities Depository recognised by Eurex Clearing AG, Eurex Clearing AG shall again attempt to replace the undelivered securities according to Paragraph 3 or via an auction pursuant to Item c. If the requisite securities cannot be purchased in full, or are purchasable only in part at such further auction, the defaulting Clearing Member shall be granted time up to the 30th business day after the delivery date to deliver the securities to Eurex Clearing AG.

- c) The following shall apply to the replacement purchase by way of auction:

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company ("Vendor") which has concluded a prior contract with Eurex Clearing AG may take part in the auctions.

- d) As regards securities owed as a result from an unperformed FWB transaction, Eurex Clearing AG can determine a cash settlement from the 30th to the 36th business day after the delivery date, so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB transaction with discharging effect expire. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 business days after the delivery day shall apply respectively to the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant FWB transactions.

The highest price determined in this way shall be multiplied with the respective number of the owed securities resulting from the unperformed FWB transaction and not having been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant FWB transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to the or the other Clearing Members who have made transactions with Eurex Clearing AG according to Clause 3.

- e) If the execution of a cash settlement should not be possible wholly or partially Eurex Clearing AG shall replace on the 37th business day after the delivery day the securities which have not been delivered. The replacement may be implemented according to a) or by means of an auction according to c).
- f) If the requisite securities cannot be bought in such auction, or only in part, Eurex Clearing AG shall fix a cash settlement from the 40th to the 46th business day after the delivery day with regard to the unperformed FWB transaction so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB transaction expire with discharging effect. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 business days after the delivery day shall apply respectively in the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100%, the highest selling price of the relevant transactions as well as the highest purchase price of the relevant FWB transactions.

The highest price determined in this way shall be multiplied with the respective number of the relevant securities owed from the defaulting FWB transaction which have not been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Members who have made transactions with Eurex Clearing AG according to Clause 3.

- g) As far as delivery of the securities continues to be wholly or partially outstanding the buy-in attempt according to Paragraph 1 Item e shall be repeated by Eurex Clearing AG at a frequency of 10 days; during the first 6 business days of a buy-in attempt Eurex Clearing AG shall repeat the cash settlement according to Paragraph 1 Item f as often as is necessary until the unperformed FWB transaction has wholly been performed or until such transaction could have been paid out through a cash settlement.
- h) It is required that prior to the implementation of a cash settlement according to Item d, f, and g three buy-in attempts via an auction according to c) in each case and in the respective class of securities have been performed by Eurex Clearing AG. In the event that the liability of the Clearing Member obligated to deliver could be settled against an identical claim of such Clearing Member vis-à-vis Eurex Clearing AG pursuant to Paragraph 1 Clause 1 and if, as a result, Eurex Clearing AG refrained from replacing pursuant to Paragraph 3 or via an auction pursuant to Item c, this fact is regarded as one of three replacement attempts pursuant to Clause 1.

- i) In the case of a capital action event concerning the securities, Eurex Clearing AG reserves the right to defer the auction by one or more business days or, upon good cause shown, to determine another business day for execution of the auction.
- j) In the event that only a limited period of time exists for securities being included in the clearing pursuant to Chapter V Number 1 Paragraph 1 or resulting from securities included in the clearing in the course of an implemented corporate action, in which the claims connected with or resulting from those securities can be asserted and if such securities have not been delivered to Eurex Clearing AG before end of this period of time, Eurex Clearing AG discloses to the Clearing Member it has not delivered in time its claim to delivery of such securities in respective execution of the provisions pursuant to Paragraph 2.
- (2) If the Clearing Member obligated to deliver is in default and if it does not deliver the rights owed from a FWB transaction pursuant to Chapter V Number 1 (e.g. subscription rights) or the rights resulting from securities to be delivered in due time on the delivery day pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG will take the following measures after the second same-day settlement procedure (2nd SDS) of the Securities Depository Bank recognised by Eurex Clearing AG or of the correspondent settlement course of a settlement institution recognised by Eurex Clearing AG, Custodian or Central Securities Depository of the last day of the conversion period in case of partial rights and after the 2nd SDS or the correspondent settlement course of a recognised settlement institution, Custodian or Central Securities Depository of the last day of the subscription period in case of subscription rights:
- a) Eurex Clearing AG discloses its claim for transfer of the Rights which have not been delivered in due time by the defaulting Clearing Member to the Clearing Member who has not been delivered in due time by Eurex Clearing AG due to such default in order to conclude an assumption (assumption pursuant to Section 414 Bürgerliches Gesetzbuch) with the defaulting Clearing Member pursuant to Item b to the extent as the Number of Rights to be delivered by the defaulting Clearing Member to Eurex Clearing AG is correspondent to the Ancillary Rights to be transferred by Eurex Clearing AG to the Clearing Member which has not been delivered in due time.
- b) An effective assumption in favour of Eurex Clearing AG pursuant to lit a is only existent if both relevant Clearing Members agree about a certain number of Rights which shall be delivered by the defaulting Clearing Member to the Clearing Member to be delivered instead of Eurex Clearing AG and if they have signed legally binding a respective standardized agreement (hereinafter named "Standard Agreement") made available by Eurex Clearing AG and have be submitted such Standard Agreement to Eurex Clearing AG ("Assumption").

As soon as Eurex Clearing AG has received the signed Standard Agreement, the obligation of Eurex Clearing AG vis-à-vis the Clearing Member to be delivered to deliver the owed Rights and all future secondary rights or rights currently connected with such obligation in the amount of the number of Rights to be transferred agreed upon by both Clearing Members cease to exist.

For the execution of such Standard Agreement, Eurex Clearing AG hereby authorises the Clearing Member to be delivered to be executed vis-à-vis the defaulting Clearing Member to waive a delivery of the Rights in the amount of the number of Rights to be delivered agreed upon by both Clearing Members as well as to waive all Secondary Claims at this point in time in connection with this claim with discharging effect. Number 2.2 Paragraph 8 does not apply.

- c) Eurex Clearing AG sets a time limit of 10 business days at maximum to both Clearing Members within which the Standard Agreement can be signed legally binding by such Clearing Members. In this case, both Clearing Members shall inform Eurex Clearing AG on the business day following the last day of the time limit set by Eurex Clearing AG at 10 a.m. CET at the latest (foreclosure) by submitting the Standard Agreement signed legally binding at Eurex Clearing AG.
- d) Provided that no legally binding signature of the Standard Agreement between the respective Clearing Members has been effected within the foreclosure pursuant to Item c Clause 2, Eurex Clearing AG determines a cash settlement regarding the Rights to be delivered by the defaulting Clearing Member pursuant to Item e with the legal result that the fulfilment obligation of the defaulting Clearing Member vis-à-vis Eurex Clearing AG out of this unperformed FWB transaction ceases to exist. Instead, the defaulting Clearing Member is obligated to pay the cash compensation determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies in this case for rights of the same nature owed by Eurex Clearing AG vis-à-vis one or more other Clearing Members to the amount corresponding to the Number of the rights owed by the defaulting Clearing Members to Eurex Clearing AG from the unperformed FWB transaction, such rights not having been delivered in due time. Number 2.2 Paragraph 8 does not apply.

- e) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG pursuant to lit d shall be determined by comparison between the calculational value of the right at the point in time of the cash settlement plus an additional charge in the amount of 100 % and the highest price of sale and the highest purchase price in the relevant FWB transactions respectively deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation.

Upon receipt, Eurex Clearing AG will then distribute this amount to one or the other Clearing Members who have entered into FWB transactions pursuant to Item d Clause 3 with Eurex Clearing AG.

- (3) Eurex Clearing AG may at its own dutiful discretion or pursuant to Paragraph 1 and 2 carry out a cash settlement or a disclosure for securities and rights which have not been delivered and for the securities and rights resulting therefrom on the first business day at the earliest, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obligated to deliver for its transactions do not suffice for the collateralisation of such transactions or if, due to other severe reasons, it deems necessary an implementation of the mentioned measures~~replacement with the securities which have not been delivered respectively with the rights being connected with or resulting from these or other securities, such rights not having been delivered.~~
- (4) Measures set forth in Paragraph 1 through 3 shall be binding on and accepted by the Clearing Member which did not receive delivery in a timely manner.

Where Eurex Clearing AG has commenced a replacement purchase pursuant to Paragraph 1 by means of an auction, the Clearing member obligated to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original FWB transaction shall expire with discharging effect.

- (5) Eurex Clearing AG may deviate from the deadlines defined in Paragraph 1 and 2 if adherence to those deadlines could not or only with disproportional expenses or costs be achieved or if other deadlines or obligations arising from the securities or rights require such deviation.
- (6) The defaulting Clearing Member shall bear the costs arising from measures within the meaning of Paragraph 1, 2 and 3. For the conversion of the fees into the settlement currency, Number 12 Paragraph 4 of the Price List shall apply accordingly. The assertion of damages according to Chapter I Number 7.1 Paragraph 4 Clause 1 is not excluded by the provisions of this Paragraph.
- (7) If a Clearing Member has not agreed upon Gross Delivery Management Service with Eurex Clearing AG, and if such Clearing Member comes in default with the delivery of securities, Eurex Clearing AG shall levy an additional default fee besides the obligations named in this provision. Such fee shall amount to 0.01 % of the original countervalue of the securities to be delivered for each day of default (default day). A default day is each business day following the due date of delivery, unless the securities are delivered at the latest on such business day within the second same-day settlement booking run of Clearstream Banking Frankfurt AG.

This regulation shall exclusively apply to claims from transactions which have been concluded via the electronic trading system at FWB or off-exchange via this electronic trading system.

- (8) Furthermore, Chapter I Number 7.1 respectively 7.2 shall apply for default or technical default.

In the absence of further agreements or rulings in particular in Paragraph 2, securities shall be transferred with the rights and duties which existed at the conclusion of the transaction.

(2) Type of corporate action:

a) Dividend and bonus payments

If dividends, bonus payments or other cash distributions occur, Eurex Clearing AG shall collect them from the shares seller when they fall due and transfer them to the purchaser of the shares. These payments are posted to the RTGS Accounts, the euroSIC Accounts or the respective foreign currency accounts. All payments shall be rendered with due observance of the applicable tax legislation.

b) Granting of additional rights

If subscription rights to shares or comparable rights are granted, the Clearing Member obligated to deliver on the grounds of as yet unperformed FWB transactions shall be obliged to transfer these rights to Eurex Clearing AG subject to the cut-off date defined by Clearstream Banking AG. Eurex Clearing AG shall be entitled to arrange for the transfer of rights in the name of the Clearing Member concerned. Subsequently, Eurex Clearing AG shall credit on the above-mentioned cut-off date the Clearing Member, which has entitlement on the grounds of as yet unperformed FWB transactions, with the rights transferred to it. This applies to fractional rights mutatis mutandis.

c) Conversion offers

Shareholders may be made an offer to convert existing shares to new ones, shares of another stock corporation, other securities and/or cash settlement. If this is the case, Eurex Clearing AG shall, in regard of FWB transactions which Clearing Members have not yet concluded with it, transfer the relevant existing shares to Clearing Members to receive deliveries. That transfer shall include the options still existing on the date of performance.

d) Other corporate actions

If a corporate action is carried out such as is not governed by the present provisions, Clearing Members obligated to deliver shall implement transfer of the securities or rights involved within the meaning of the instructions laid down by Eurex Clearing AG in line with the content of the said provisions. Eurex Clearing AG shall in turn transfer the securities and rights it is to deliver and which are affected by such a corporate action to the Clearing Members which are to receive delivery. Clauses 1 and 2 apply mutatis mutandis for cash payments which Clearing Members have to perform on the basis of corporate actions not governed by the above-mentioned provisions.

(3) Reversal of FWB transactions

If an FWB transaction is reversed after its conclusion pursuant to sections 12, 12a or 40 of the Conditions for Transactions on FWB, the debits/credits, arising from corporate actions, to the accounts of Clearing Members concerned shall also be reversed with the value date of the FWB transaction reversal.

Clearstream Banking AG may carry out corrections to corporate actions conducted by Eurex Clearing AG pursuant to Paragraph 2 or which should have been carried out, in regard of as yet unperformed or performed FWB transactions (such corrections might be reversals, adjustments, etc.); in such cases of correction, Eurex Clearing AG shall be entitled to undertake corresponding corrections to corporate actions it has conducted pursuant to Paragraph 2 and to carry out any non-implemented corporate actions retroactively.

For the eventuality that corporate actions in regard of as yet unperformed or performed FWB transactions were not carried out and afterwards corrected or implemented by the Clearstream Banking AG, Eurex Clearing AG shall reserve the right to waive the subsequent implementation of the corporate action in favour of assigning to the claimant Clearing Member its claims against other Clearing Members arising out of corresponding identical transactions with debt-discharging effect.

(5) Change of method of holding in custody

- (2) The daily settlement price shall be determined by Eurex Clearing AG.

2.5 Netting Agreement

In addition to the setoff regulated in Chapter I Number 1.4, Eurex Clearing AG may agree with a Clearing Member upon a same-day netting of claims from transactions pursuant to Chapter V. In this case, the netting shall be carried out on basis of the following provisions agreed upon by Eurex Clearing AG and the Clearing Members.

Same-day netting means that claims from transactions of one trading day shall be netted on that trading day.

The Clearing Member may furthermore determine by declaration vis-à-vis Eurex Clearing AG whether it will use the functions of the Gross Delivery Management under Chapter I Number 1.6 Paragraph 2 for control of the fulfilment of the claims resulting from the netting procedure. In case of a utilization of the Gross Delivery Management, the service of Eurex Clearing AG described in Chapter I Number 1.6 Paragraph 2 shall extend to the claims resulting from the netting. The definition of the transactions shall take place pursuant to Number 2.5.2 by the Clearing Members with determination of the netting units. The aforementioned declaration shall be submitted in a form and within a deadline determined by Eurex Clearing AG.

2.5.2 Netting Units

The parts of aforementioned claims which cannot be netted shall be summarized to respectively one total receivable to assignment and one cash receivable. These claims shall be fulfilled pursuant to Number 2.1.

If aforementioned netting within a netting unit shows that

- a receivable to assignment and a cash receivable would exist for a contractual party, or
- the claims to assignment of both parties could totally be netted, or
- the cash claims of both parties could totally be netted,

the claims within one netting unit shall not be set off. In this case, a consolidation of the claims shall take place only, with the result of one assignment receivable and one cash receivable each of Eurex Clearing AG and the Clearing Member. These claims shall be fulfilled pursuant to Number 2.1. Upon conclusion of the netting, Eurex Clearing AG shall inform the Clearing Member about the netted claims and its results.

As soon as the netting has been concluded, Eurex Clearing AG shall inform the Clearing Member about the netted claims and the result of the netting.

2.5.4 Netting Time

The netting shall generally take place in the system of Eurex Clearing AG on each business day with the daily end processing.

Insofar, the provisions of Chapter I and of this Paragraph shall apply accordingly.

3.2 Settlement of XIM Transactions

3.2.1 General Obligations

- (1) Clearing Members shall fulfil their delivery- and payment obligations upon instruction by Eurex Clearing AG. In deviation to what applies in Chapter I Number 1.5 Paragraph 7, Clearing Members themselves shall give delivery instructions. The Clearing Member is obligated to give the necessary delivery instructions either him-/herself or through the commissioned settlement institution (chapter I Number 2.2. Paragraph 6). Hereby, the deadlines for granting of delivery instructions applicable on the respective home market shall be complied with. However, delivery instructions shall be given at the latest on the business day preceding the valid delivery date.
- (2) The regulations of Number 2.1 Paragraph 4 and 5 apply with the proviso that delivery date and payment date shall respectively be the third business day after the day of transaction conclusion.

(3) In order to fulfil its delivery instructions within Paragraph 1, the Clearing Member obligated to deliver is, in case of a XIM Transaction with settlement in Spain, obligated to arrange for a necessary modification of the registration of the securities or rights to be assigned according to the applicable legal provisions applicable in Spain (in particular of the Ley 24/1988 del Mercado de Valores and according successive provisions) er and Terms and Conditions (existing usages) in favour of Eurex Clearing AG, such modification shall be in due time to meet the delivery date. The Clearing Member to be delivered shall immediately upon receipt of the delivery, arrange for a modification of registration in favour of the final beneficiary owner to be delivered.

3.2.2 Default

If the Clearing Member obligated to deliver is in default regarding delivery of securities owed from a XIM Transaction or regarding assignment of rights, the following provisions shall apply in deviation to Number 2.2.

3.2.2.1 XIM Transactions with Settlement in Belgium, France or Netherlands

- (1) If the securities from a XIM Transaction with settlement in Belgium, France or Netherlands to be delivered by the Clearing Member obligated to deliver are not delivered to Eurex Clearing AG at the latest on the 7th business day after the delivery day in the course of the last settlement run of the central custodian determined by the Management Board of FWB within the meaning of § 169 f Paragraph 1 Exchange Rules of Frankfurter Wertpapierbörse (the “non-fulfilled XIM Transaction”), Eurex Clearing AG shall arrange for deletion of the respective delivery instructions on the respective home market and repurchase the non-delivered securities by means of an auction. In turn, the Clearing Member obligated to deliver undertakes to arrange for deletion of the respective delivery instructions on the respective home market. As soon as Eurex Clearing AG has informed the Clearing Member obligated to deliver about the intended implementation of an auction, the Clearing Member is no longer authorized to deliver the concerned securities to Eurex Clearing AG.
- (2) If the securities to be delivered are certified subscription rights, the procedure according to Paragraph 8 shall apply.
- (3) An auction within the meaning of Paragraph 1 shall take place on the 8th business day upon the defined delivery day. For each auction, Eurex Clearing AG shall publish a maximum price per security class up to which it is willing to accept offers. The maximum price results from the settlement price defined by Eurex Clearing AG for the respective security class plus a surcharge in the amount of 20 %. Each company (“seller”) which has previously concluded a respective agreement with Eurex Clearing AG may participate in the auctions. If repurchase of the securities to be delivered was achieved through an auction, the delivery obligations of the Clearing Member obligated to deliver resulting from the original XIM Transaction shall expire with debt-discharging effect.

- (4) Eurex Clearing AG shall abstain from the measures according to Paragraph 1 and 3 if the concerned liability of the Clearing Member can be offset against an identical claim of this Clearing Member vis-à-vis Eurex Clearing AG. In this case, the Clearing Member obligated to deliver is still obligated to deliver the owed securities.
- (5) If an auction within the meaning of Paragraph 3 has been unsuccessful in whole or in part or has not been carried out due to Paragraph 4, Eurex Clearing AG may decide a cash settlement with regard to the securities owed from the non-fulfilled XIM Transaction from the 9th business day following the delivery day, so that the fulfilment obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG from this non-fulfilled XIM Transaction expire with debt-discharging effect. Instead, the defaulting Clearing Member is obligated to pay a cash settlement to Eurex Clearing AG.

The same shall apply in this case with regard to the securities of the same class owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered by Eurex Clearing AG in due time, in an amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in time. In this case, the oldest delivery obligations by Eurex Clearing AG shall be considered first.

The amount of the cash settlement to be paid by the defaulting Clearing Member to Eurex Clearing AG shall be determined by way of comparison of the settlement price defined by Eurex Clearing AG for the respective security class plus a surcharge in the amount of 20 % as well as the highest sale price and the highest purchase price of the concerned XIM Transactions.

The highest price determined in this way shall be multiplied with the respective number of securities owed from the XIM Transaction and not delivered in due time. The resulting sum shall be netted with the respective final amounts of the concerned XIM Transactions and equals the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

Eurex Clearing AG shall pay out this amount upon receipt to the other Clearing Member/s who have concluded transactions with Eurex Clearing AG according to Clause 3 and 4.

If, after an auction within the meaning of Paragraph 3 has not been carried out due to Paragraph 4, a cash settlement is decided, Eurex Clearing AG shall arrange for deletion of the respective delivery instructions on the respective home market by determination of the cash settlement by Eurex Clearing AG. In turn, the Clearing Member obligated to deliver shall undertake to arrange for deletion of the respective delivery instructions on the respective home market. As soon as Eurex Clearing has informed the Clearing Member obligated to deliver about the intended determination of the cash settlement, the Clearing Member is no longer authorized to deliver the concerned securities to Eurex Clearing AG.

- (6) Eurex Clearing AG does not determine a cash settlement within the meaning of Paragraph 5 as long as the concerned liability of the Clearing Member can be offset against an identical claim of such Clearing Member vis-à-vis Eurex Clearing AG.

- (7) Eurex Clearing AG reserves the right to postpone the auction within the meaning of Paragraph 3 by one or more business days in case of a corporate action with regard to the concerned securities, or, in case of legitimate reason, to define another business day for implementation of an auction. In this case, the deadline applying to the cash settlement according to Paragraph 4 is postponed accordingly.
- (8) If the rights from a XIM Transaction with settlement in Belgium, France or Netherlands (e.g. subscription rights) or the rights resulting from securities to be delivered (e.g. partial rights and subscription rights) to be transferred by the Clearing Member obligated to deliver are not transferred in due time on the delivery day on instruction by Eurex Clearing AG, the latter shall execute measures pursuant to Number 2.2 Paragraph 2 after the last settlement run of the central custodian determined by the Management Board of FWB (§ 169 f Paragraph 1 Exchange Rules of the Frankfurter Wertpapierbörse) on the last day before expiry of the deadline existing for the rights.
- (9) If Eurex Clearing AG is of the opinion that the margin provided by the Clearing Member obligated to deliver for its transactions with Eurex Clearing AG cannot provide sufficient margin any more due to extraordinary risks or if Eurex Clearing AG deems an auction, a cash settlement or measures according to Paragraph 8 necessary due to other severe reasons, it may execute such measures upon its own dutiful discretion from the first business day after the delivery day already.
- (10) Eurex Clearing AG may deviate from the deadlines named in Paragraphs 1 to 5 and Paragraph 8, if, when meeting these deadlines, the measures to be taken according to Paragraphs 1 to 5 or Paragraph 8 cannot or can only be taken with extraordinary effort and expenses or if other deadlines to be considered resulting from the securities or rights require such deviation.
- (11) The costs occurred with Eurex Clearing AG by its measures according to Number 3.2.2.1 shall be borne by the defaulting Clearing Member. For each auction carried out in a security class according to Paragraph 3, Eurex Clearing AG shall charge from the defaulting Clearing Member a fee of 10 % of the value of the owed securities, at least, however, EUR 250.00 and at maximum EUR 5,000.00. The assertion of damages according to Chapter I Number 7.1 Paragraph 4 Clause 1 is not excluded hereby.
- (12) If a Clearing Member delivers securities to Eurex Clearing AG after it ceased to be authorized to do so according to Paragraph 1 or 5, the Clearing Member is obligated to pay a compensation for the retransfer in the amount of EUR 500.00 to Eurex Clearing AG. If further damage occurs to Eurex Clearing AG from the delivery, the Clearing Member is obligated to compensate such damage. Clause 1 and 2 shall apply accordingly to the non-defaulting Clearing Member if, in the procedure according to Paragraph 5, the Clearing Member has arranged for transfer of securities after the claim for payment of a settlement amount has come into existence, by not arranging for deletion of the instruction given on the respective home market.

3.2.2.2 XIM Transactions with Settlement in Finland

- (1) If the Clearing Member obligated to deliver is in default of delivery of securities or the transfer of rights from a XIM Transaction with settlement in Finland, Number 3.2.2.1 shall apply accordingly, unless provided otherwise in the following.
- (2) In deviation to Number 3.2.2.1 Paragraph 3, the maximum price with XIM Transactions with settlement in Finland within this provision results from the settlement price defined by Eurex Clearing AG for the respective security class plus a surcharge of 50 %.
- (3) In deviation to Number 3.2.2.1 Paragraph 5 Clause 5, the amount of the cash settlement to be paid by the defaulting Clearing Member within this regulation shall be determined by comparison of the settlement price for the respective security class defined by Eurex Clearing AG plus a surcharge in the amount of 50 % as well as the highest sale price and the highest purchase price of the concerned XIM Transactions.

3.2.2.3 XIM Transactions with Settlement in Italy

- (1) If the Clearing Member obligated to deliver is in default of delivery of securities or the transfer of rights from a XIM Transaction with settlement in Italy, Number 3.2.2.1 shall apply accordingly, unless provided otherwise in the following.
- (2) In deviation to Number 3.2.2.1 Paragraph 3, Eurex Clearing AG shall repeat the auction within the meaning of this provision regarding the respective number of securities on the 9th and 10th business day after the delivery date if the necessary number of securities has not or has only been repurchased in part on the 8th business day after the delivery date.
- (3) In deviation to Number 3.2.2.1 Paragraph 5, Eurex Clearing AG may determine the cash settlement within the meaning of this provision from beginning of the 11th business day after the delivery date.

3.2.2.4 XIM Transactions with Settlement in Spain

- (1) If the Clearing Member obligated to deliver is in default of delivery of securities or the transfer of rights from a XIM Transaction with settlement in Spain, Number 3.2.2.1 shall apply accordingly, unless provided otherwise in the following.

- (2) In deviation to Number 3.2.2.1 Paragraph 1, Eurex Clearing AG shall arrange for deletion of the according delivery instructions and repurchase the non-delivered securities by way of an auction, if the securities to be delivered by the Clearing Member obligated to deliver are not delivered to Eurex Clearing AG on the delivery date within the last settlement run of the central custodian determined by the Management Board of FWB within the meaning § 169 f Paragraph 1 Exchange Rules of the Frankfurter Wertpapierbörse. In case of already matched instructions, Eurex Clearing AG shall give a counter-instruction.
