Detailed information for each initiative will be published early 2019 on our website under: www.eurexchange.com > Resources > Initiatives. A Product Roadmap will be available in Q1 2019.

Please also note, that Eurex has just launched four videos which explain how trading participants can setup, inquire, maintain the new pre-trade risk limits in T7. These limits will be available for all products with extended trading hours. The videos are available under: <http://www.eurexchange.com/exchange-en/technology/t7/education>.
