Eurex Exchange Readiness Newsflash | T7 Release 7.1

Our next major T7 Release is fast approaching. On 29 October 2018 Eurex announced the introduction of the T7 Release 7.1:

- Production launch: 27 May 2019
- Simulation start: 15 April 2019

We are happy to inform you, that **as of today, T7 Release 7.1 is available in the T7 Cloud Simulation for testing**. Please note that your ETI User ID may have changed with this T7 release. Please check the IDs within the Instance Control section in the Cloud Simulation. In case you are not a Cloud Simulation user yet but would like more information about the service or how to gain access to the T7 Cloud Simulation environment, please visit our Cloud Simulation [website](#) or contact your Key Account Manager for further assistance.

Further information about the enhancements of the T7 Release 7.1 can be found on the Eurex website: www.eurexchange.com > Technology > T7 Trading architecture > System documentation > [Release 7.1](#). Please be advised that the [Simulation Calendar for Eurex derivatives trading & clearing](#) for the period 1 April - 25 August 2019 is now available on the Eurex website.

To stay always up to date, visit our dedicated T7 Release 7.1 website: www.eurexchange.com > Resources > Initiatives > [T7 Release 7.1](#). For further detailed information about current Eurex projects, please visit the Initiatives section on our website: www.eurexchange.com > Resources > [Initiatives](#). Looking for documentation of previous T7 Releases, Product Introductions or Technical Changes? These documents can be found in our [Archive](#) section.

If you have any further questions or comments please do not hesitate to contact your Key Account Manager or send an email to customer.readiness@eurexchange.com.

Kind regards
Your Customer Readiness Team
