\* The group ID as well as the cash market ID shall be assigned by Eurex Deutschland according to the following table and shall merely have an internal assignment function. If the reference market of the underlying share is changed within the Electronic Trading System of the Euronext Exchanges Euronext Brussels, Euronext Paris and Euronext Amsterdam, the Management Board of Eurex Deutschland may change the cash market-ID for a contract and thus determine a relevant cash market other than the cash market determined upon the introduction of the contract.
