Eurex Exchange Readiness Newsflash | Updates July 2019

Dear Eurex Participant,

With this Newsflash, we would like to draw your attention to the upcoming publications, events and actions necessary for the ongoing initiatives:

05 July | Simulation: [Stock Tracking Futures](#)

22 July | [Reduction of the smallest price change \(tick\) for standardised futures strategies \(futures calendar spreads\) for EURO STOXX®/STOXX® Europe 600-Banks Futures](#)

22 July | [Adjustment of Contract Specifications for DAX® index options, including Weekly Options](#)

29 July | Production: [Equity & Basket Total Return Futures](#)

29 July | Production: [Stock Tracking Futures](#)

We would also like to inform you that we have recently published the Cross Project Calendar on our website. The calendar gives you an overview of the main cross project deadlines, which need to be performed by Trading Participants in order to ensure a smooth readiness for all planned initiatives. The Cross Project Calendar is available under the following path:

www.eurexchange.com > Resources > Initiatives > [Cross Project Calendar](#)

Kind regards,
Your Client Services Team
