The fee classification for an individual Single Stock Dividend Future shall be based on the relevant dividend amount of such Single Stock Dividend Future on the relevant reference date, such classification taking effect on 1 September of each calendar year and being communicated via circular. The reference date will be the last trading day in July of each calendar year.

In a case that for a given Single Stock Dividend Future a successor product is admitted for trading due to a corporate action of the underlying stock, the successor product will have the same transaction fees as the predecessor product.
