1. Single Stock Futures: Quotation Requirements for Designated Market-Making
2. Application Form – Designated Market-Making Scheme

Die Geschäftsführungen der Eurex-Börsen haben mit Wirkung **zum 1. Januar 2013** folgende Beschlüsse gefasst:

- Einführung eines Designated Market-Making-Programms für Single Stock Futures bis zum **31. Dezember 2014**
- Im Rahmen des Designated Market-Making-Programms werden sieben unterschiedliche Designated Market-Making-Pakete angeboten, die unterschiedliche Basiswerte umfassen

Der Vorstand der Eurex Clearing AG hat folgende Beschlüsse für das Designated Market-Making-Programm für Single Stock Futures mit Wirkung zum **1. Januar 2013** gefasst:

Bei Erfüllung der Quotierungsverpflichtungen wird eine Rückerstattung der Transaktionsentgelte für Geschäfte auf dem M-Konto bis zum **31. Dezember 2013** gewährt:

- 80 Prozent für Geschäfte im elektronischen Orderbuch und
- 60 Prozent für außerbörsliche Geschäfte

Details zu den genauen Parametern der Quotierungsverpflichtungen entnehmen Sie bitte dem Anhang 1.

Interessenten für Designated Market-Making bitten wir, das Anmeldeformular im Anhang 2 an Herrn Tobias Ehinger unter der Faxnummer +44-207-862 92 31 zu senden. Sollten Sie Fragen haben, können Sie sich gerne an Herrn Ehinger wenden.

Single Stock Futures: Quotation Requirements for Designated Market-Making

1. Designated Market-Making Fees:

Upon fulfilment of quotation requirements on a monthly basis, Eurex Clearing AG will reimburse part of transaction fees for all trades in SSFs in the respective package concluded by DMMs on the M-account. Reimbursement of transaction fees will amount in each case to 80 percent for transactions in the electronic order book and to 60 percent for OTC transactions.

2. Quotation Requirements:

Designated Market Makers commit to quote permanently a specified amount of Single Stock Futures in the respective package (§ 2.1). The quotes have to represent a minimum number of contracts (§ 2.3) quoted with a maximum bid-ask spread (§ 2.2).

In addition, quotation requirements for quotation period and maturities to be quoted are as follows:

- Quotation period: At least 80 percent of the daily trading hours between 09:00 and 17:30 CET on a monthly average.
- Maturities: Current front month contract

The quotation requirements will be reviewed on a quarterly basis and are subject to change.

2.1 Quotation Packages and Number of Exceptions

Seven quotation packages will be offered for Designated Market-Making. Quotation requirements for a package will be considered fulfilled, if the quotation requirements are fulfilled for all products contained, whereby a certain number of exceptions per month will be allowed for each package.

If due to a corporate action in one of the underlying instruments a successor product is admitted to trading with a standard contract size, the successor product will become part of the quotation requirements with effect from the first trading day of the next calendar month. The preceding contract will not be part of the quotation requirements anymore after the end of the month.

If one of the underlying instruments leaves any of the indexes covered by the packages the respective single stock future will be replaced by the single stock future on the underlying entering the respective index with effect from the first trading day of the next calendar month. The single stock future on the underlying leaving the index has to be quoted until the end of the month.

Application for the Status of Designated Market Maker in Single Stock Futures Contracts

1. We _____
(name of participant, Member ID)

herewith apply for the status of Designated Market Maker (DMM) in Single Stock Futures contracts included in the relevant packages for the period from 1 January 2013 until 31 December 2014 (commitment period) in accordance with the terms and conditions stated in the Quote Obligations (No. 8).

Package	Package ID	Application (“Y” for “YES”)

Dutch	NL	
German	DE	
French	FR	
Italian	IT	
Spanish	ES	
Swiss	CH	
EURO STOXX 50 [®] /German/French	ESX50/DE/FR	

2. As a Designated Market Maker

- a) we will provide bid and ask prices in compliance with:
- the minimum number of contracts,
 - the maximum spreads,
 - the period of time specified (also, and in particular, on a daily basis at the beginning of trading and at the end of trading in the contract), and
 - for the defined contract months

as specified in the Quote Obligations.

- b) we will give you the name of a manager who has the authorization and expertise necessary to make decisions and act as the coordinator in our firm, who will be available for Eurex with respect to this agreement;
- c) we will ensure that technical and personnel resources are available for Designated Market-Making; and
- d) we will inform Eurex within one business day in the event that we find ourselves temporarily not in a position to fulfill these obligations.

3. In return

- a) Eurex will mention the name of the Eurex participant with Designated Market Maker status in advertising and informative material in connection with the contracts, if applicable;
- b) Eurex will supply speakers and printed material for seminars organized by the Designated Market Makers regarding the Single Stock Futures contracts, provided the necessary resources are available.
- c) Eurex will refund a certain amount of the trading and clearing fees for the contracts concluded in all products included in the relevant packages (see No. 1) by the Designated Market Makers on M-accounts up to 31 December 2014 if the Designated Market Maker fulfils the obligations. Refund of the trading and clearing fees amounts to 80 percent for trades concluded in the electronic order book and 60 percent for trades concluded in the OTC Block Trading facility. The refund for the respective month will be calculated at the beginning of the subsequent month. No refunds will be made if Single Stock Futures are traded on A or P accounts or if the Quote Obligations are not fulfilled.

4. Compliance with the obligations stated under No. 2 shall be monitored by Eurex. In the event that the obligations stated under No. 2 are not met by us, Eurex shall have the right to terminate the agreement and to publicly disclose the termination of the Designated Market Maker status at Eurex' discretion. In this case, Eurex shall be released from its obligations pursuant to No. 3 with immediate effect.

5. Eurex shall have the right to amend or expand one or more of the conditions laid down in this agreement for limited periods of time at its sole discretion with validity for all Designated Market Makers, if it deems this appropriate (for example, in circumstances which lead to high market volatility or if such amendments or expansion is not expected to have an adverse effect on market quality). In the event that Eurex amends or expands one or more

conditions, the Designated Market Makers must, for their part, ensure that the Designated Market Makers can also be promptly advised that this situation has ceased to exist.

6. Other than the aforementioned measures, no special status at Eurex shall be accorded to the participant in conjunction with the Designated Market Maker status, which expires on 31 December 2014. After that time, the title "Designated Market Maker" can no longer be used unless otherwise agreed with Eurex.
7. Quote Obligations for Single Stock Futures: see attachment 1 to Eurex Circular 283/12.
8. Exclusively the law of the Federal Republic of Germany applies to this agreement. Sole place of jurisdiction for all disputes in connection with this agreement is Frankfurt am Main.
