**Validity:** 1<sup>st</sup> October 2019 – 31<sup>st</sup> December 2027

**Contact:** Andreas Stillert, FX Product Design, T +69 211 17278, [andreas.stillert@eurexexchange.com](mailto:andreas.stillert@eurexexchange.com)

### **Preamble**

This Product Specific Supplement for FX Futures and FX Rolling Spot Futures (hereinafter referred to as “Product Specific Supplement”) forms an integral part of the Liquidity Provider Agreement (LPA).

A Liquidity Provider scheme for FX Futures and FX Rolling Spot Futures is offered as well as a combined revenue sharing scheme. Furthermore, an additional market share incentive is offered for the period from 01 October 2019 until no longer than 31 March 2021 with a regular incentive period from 01 October 2019 until 30 September 2020 and an additional incentive period from 01 October 2020 until 31 March 2021 at the latest.

In case the growth plans targeted (see parameters table below (cp. Sec 4.2) are not reached within the additional incentive period from 01 October 2020 to 31 March 2021, Eurex Frankfurt AG shall have the right to terminate this PSS after 31 March 2021 at any time with a one month notice. This termination right shall apply in addition to the termination rights as set out in the LPA which shall remain unaffected.

### **1. Applicable Building Blocks**

Pursuant to Sec. 2.3 of the General Supplement to the LPA, the granting of rebates and the concrete rebate levels to be applied on the respective transaction fees are dependent on the fulfilment of Building Blocks. For this Product Specific Supplement, the following Building Blocks are applicable:

Scheme	Product Scope	Basis	Package	Strategy	Larger Size	Tighter Spread	Eurex EnLight Stress Presence	Revenue Sharing
		BBB	PBB	CBB	LBB	TBB	EBBSBB	
FX Futures Outrights	All FX Futures	✓	✓					✓
FX Futures Calendar Spreads	All FX Futures	✓	✓					✓
FX RS Futures	All FX Rolling Spot Futures	✓	✓					✓

### **2. Liquidity Provider Rebates**

Upon fulfilment of the Building Block requirements of one product, Liquidity Providers shall receive a fee rebate as specified in section 3 of the General Supplement to the LPA in accordance with the table below. Depending on the month the Package Block requirements will be fulfilled for the first time, the Liquidity Provider receives a package rebate of either 100% or 50%. 90% or 40% in addition to the 10% Basis Block rebate. If the Liquidity Provider doesn't fulfil the requirements for three consecutive months, the package rebate will be adjusted depending on the respective month of requalification.

A multiple refund will not take place upon fulfilment of more than one scheme in one product.

The evaluation takes place on a monthly basis.

VAT on the Revenue Sharing amounts shall be borne by the Liquidity Provider, if applicable, and will be offset against any due and unpaid Revenue Sharing amount.

## 4.2. Additional Market Share Incentive

An additional market share incentive of a total amount of EUR 500.000 will be offered. The additional market share incentive has a duration of up to 18 months starting 1<sup>st</sup> October 2019. The total amount is split into 12 monthly payments subject to target achievements of monthly average daily volumes (ADV). Each month is again split into 3 different targets, relating to the entire FX market (FX Futures and FX Rolling Spot Futures). The pay-out amount is cumulated when the respective levels of a month are reached. The following table shows the requirements for each month as well as the respective pay-out amounts.

Month	ADV Level 1	ADV Level 2	ADV Level 3	Pay-out for Level 1 (20%)	Pay-out for Level 2 (30%)	Pay-out for Level 3 (50%)	Maximum Pay-out in the month

<b>Bonus</b>	25k	37.5k	50k	20% of bonus pool	30% of bonus pool	50% of bonus pool	if available; to be determined

If all three ADV levels of a month were not reached in that month by any Liquidity Provider participating in this program, the ADV- and Pay-out Levels of the that month will remain active until at least one ADV and Pay-Out level of that month has been reached. Only after at least ADV Level 1- and Pay-Out level 1 of that month have been reached then the ADV- and Pay-Out Levels of the respective following month will become active.

In case only ADV level 1 or only ADV level 1 and 2 are reached in a month, the respective pay-out amounts for level 2 and/or 3 will be transferred into a separate bonus pool. This bonus pool will be distributed at the end of the additional market share incentive programme, if the target ADV levels related to "Bonus" (as shown in the table above) have been reached.

This additional market share incentive programme shall end at the earlier of either all 12 ADV targets Months have become active and the respective pay outs have been made or 31<sup>st</sup> March 2021.

In addition to the requirements as set out above the Liquidity Provider must fulfil in the respective month the package block requirements in one FX Futures scheme (outrights or calendar spreads) and additionally the package block requirements in the FX Rolling Spot Futures scheme in order to participate in this additional market share incentive programme. The monthly payments will be distributed proportionally between all qualifying Liquidity Providers according to their monthly share of trading volume in M- and P-accounts (order book and off-book) of all participating Liquidity Providers.

Each month, Eurex will inform qualifying Liquidity Providers eligible for a payment under this additional market share incentive programme and advise on the respective payment amount by the 15<sup>th</sup> of the following calendar month. VAT on such amounts, if applicable, shall be borne by the Liquidity Provider. In order to receive a payment, eligible Liquidity Providers will be required to provide an invoice over the payment amount (as advised by Eurex) to: **Eurex Frankfurt, FX Product Design, Mergenthalerallee 61, 65760 Eschborn, or via email to: [fx@eurexclearing.com](mailto:fx@eurexclearing.com)**. Any invoice for a given calendar year must be received by Eurex before the 31<sup>st</sup> January of the following calendar year.
