- (4) Parties who want to be supported by a Guest shall inform Eurex Clearing AG and the Committee Secretary of the name, profession and address of each Guest in accordance with Chapter I Number 4 of the Disciplinary Procedures Rules. If the Clearing Member has failed to submit a CM Response or such CM Response did not contain the required information about the Guests of such Clearing Member the Disciplinary Committee shall decide whether the Guests of the relevant Clearing Member may attend the Meeting. A Representative shall always be entitled to attend the Meeting. To ensure the efficiency of the Meeting, not more than 4 (four) Representatives and/or Guests of each Party may attend a Meeting.
- (5) Eurex Clearing AG and/or the Clearing Member shall only be entitled to object to the attendance of a Guest of the respective other Party if there is a substantiated conflict of interest.

- (1) The quorum for a valid Meeting shall be 5 (five) Committee Members (the "**Quorum**").
- (2) In the event that a Quorum is not so present at the commencement of and throughout a duly convened Meeting, such Meeting shall be adjourned by the Chairman to the next following Business Day. A Quorum at such adjourned Meeting shall consist of the then Participating Committee Members provided that notice of the adjourned Meeting has been given to all Committee Members in accordance with § 4 above (provided that § 4 Paragraph (2) (a) shall not apply and that such notice has included a statement to the effect that the Participating Committee Members at such adjourned Meeting would constitute a Quorum).
- (3) The Chairman opens the Meeting and suggests the matters to be discussed in the course of the Meeting, on the basis of the Report, the CM Response, and such other information and documentation as the Disciplinary Committee considers appropriate. In particular, the Disciplinary Committee shall decide whether new facts or information may be presented by a Clearing Member who has failed to provide a CM Response in accordance with the Disciplinary Procedures Rules, including where an incomplete CM Response has been provided.
- (4) Having considered the Report, the CM Response and any other information and documentation provided to the Disciplinary Committee during the Meeting, the Disciplinary Committee must determine whether, in its view, the Alleged Breach has been committed and whether the recommended mitigating actions and/or Sanctions are considered to be appropriate. The Meeting of the Disciplinary Committee shall be completed by the end of the day, unless the Disciplinary Committee decides that it requires more time in which case the Meeting shall be reconvened by the Chairman as soon as reasonably practicable.

- (5) The Disciplinary Committee shall make its determination by a majority of the Participating Committee Members, provided that no determination shall be made without at least three (3) Committee Members casting their votes.

The Minutes shall set forth the place and the date of the Meeting, the identity of each Participating Committee Member and each Representative, the matters on the Agenda, the substance of the deliberations and the votes taken by the Disciplinary Committee as well as how each Participating Committee Member has voted with respect to each matter raised at the Meeting.
- (2) The Minutes should further set out the grounds on which the Disciplinary Committee has determined that the Alleged Breach has or has not been committed and its proposal as to mitigating actions and/or the Sanctions, if any, that should be imposed by Eurex Clearing AG.
- (3) The Minutes shall be approved by the Committee Secretary and the Chairman.

§ 8 Costs

In case a Fine is recommended, which is lower than the Fine initially proposed by Eurex Clearing AG, the costs will be shared pro rata between Eurex Clearing AG and the Clearing Member provided that the Disciplinary Committee may decide to allocate costs in any other way it considers appropriate. If the Clearing Member has not submitted a CM Response and the case is decided in favour of the Clearing Member in whole or in part on the basis of information which the Clearing Member only presented after the period for submitting a CM Response has lapsed the Clearing Member shall bear the costs of the Meeting.

Costs in relation to any Guests shall be borne in all cases by the Party who required the Guest to attend the Meeting.

§ 9 Confidentiality

Except as expressly contemplated in these Statutes or as may be required by applicable law or court order or by a regulatory, self-regulatory or supervisory authority having appropriate jurisdiction, each Independent Committee Member shall agree (i) not to disclose any Confidential Information (as defined below) to third persons, and (ii) not to use any Confidential Information for its own benefit or the benefit of any third person and (iii) to sign a confidentiality undertaking to this respect which shall be addressed to Eurex Clearing AG and which shall also be for the benefit of all Clearing Members which are or will become subject to Disciplinary Procedures (*Vertrag zu Gunsten Dritter*). Each Party shall ensure that its Representatives and Guests are subject to the same confidentiality obligation.
