

QUICK GUIDE

for your video identification in 5 minutes

WebID is providing customer-friendly, secure and compliant identification service via video call in conformity with Money Laundering Act (GwG)

BEFORE YOU START

- Watch the video on “How does video identification work? (WebID Identify)” [link](#).
- Make sure you have a **stable internet connection**
- Choose a **device with a camera or webcam** you get called on from the WebID Agent
- Position yourself in a **proper lighting**
- Have a **valid identity card** or a comparable foreign identification document available

START YOUR VIDEO IDENTIFICATION NOW

- <https://webid-gateway.de//service/index/cn/000514/ti/12345678/act/pass>
- Enter required data
- Complete video call with WebID Agent
- Enter TAN (transaction number)

✓ YOU ARE SUCCESSFULLY IDENTIFIED
