

EUREX

Derivatives Forum

Frankfurt 2022

24-25 May

Congress Center Frankfurt

Ludwig-Erhard-Anlage 1

60327 Frankfurt am Main

saleslocations@messefrankfurt.com

The **Derivatives Forum Frankfurt 2022** will be the first hybrid edition, with thought leadership insights, industry debates, keynote speeches and networking opportunities both in-person and online. As the leading European conference, the Derivatives Forum covers trending topics for the financial industry and focuses on trading and clearing for derivatives and securities financing across asset classes.

Topics are clustered into six streams: Markets & Regulation, Derivatives & Portfolio Management, Liquidity & Collateral Management, Technology & Innovation, Sustainability & Investing and Digital Assets & Markets.
