Contract Specifications for Options Contracts

2.2 Subpart:
Contract Specifications for Option Contracts on Money Market Futures Contracts

2.2.5 Term

Options contracts are generally available at the Eurex Exchanges with terms of the three-six next months as well as seven-six succeeding months of the cycle March, J une, September and December. The due months of the underlying future and of the expiration month of the option are identical in the expiration months March, J une, September and December (quarterly month); in the other expiration months, the due month of the underlying future is the cyclic quarterly month following the expiration month of the option.
